## PUBLIC COMMENTS

1. Presentation by Tara Fish—introduced by Member Joe Langley. Ms. Fish is the Director of Partnership for Children which funds programs that provide critical necessities for Birth to 5-year-old children from low-income families in the local Angier community.

ABC Angier was asked to consider the possibility of donation and/or fundraising efforts to support this local cause.

Chair Bishop was very much in favor of this program and suggested the Board discuss and review statutes to see if we can include this program for disbursement.

Member Taylor suggested the Finance Committee take the lead on due diligence.

2. The owner of Bronze and Oak asked the Board a question regarding license requirements for an outdoor courtyard area of their establishment. Member Taylor suggested checking with ALE to ensure legal compliance.
